

The American Oil & Gas Historical Society

2015 Energy Education Calendar

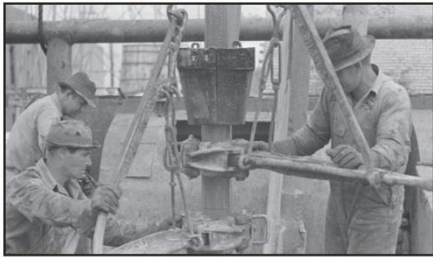

For the first time, the American Oil & Gas Historical Society has printed a 2015 calendar that includes descriptions of petroleum history milestones, oilfield discoveries, pioneers, and more. It's an ideal gift for friends, family and industry workers. Prices for ordering multiple copies can be as low as \$5 each!

Each month offers rare historical facts along with 12 Library of Congress photos from the 1930s. In 2016, the petroleum industry's milestone dates will be available for *customized* calendar editions for companies, associations, museums and other organizations.
